# Nicole K. Tang

Torrance, CA | (310) 351-3603 | nicolektang@gmail.com | linkedin.com/in/nicolektang | portfolio

## EDUCATION

**University of Southern California, Los Angeles, CA** **2021-2025**

BS Global Health, Data Science minor , Magna Cum Laude, Global Scholar Award GPA: 3.83/4.00

MS Public Health Data Science, USC Progressive Degree Program GPA: 3.59/4.00

Skills: SQL, Python, R, SPSS, C++, Java, Swift, Tableau, html/css, Github, Qualtrics, Canva, Excel, Workflow Optimization

## EXPERIENCE

**The Children's Clinic Family Health (thechildrensclinic.org)** **Los Angeles, CA**

*Executive Assistant/Community Health Associate* *Feb 2026-Present*

*Data Science Intern* *Oct 2025–Feb 2026*

- Managed high-stakes operational workflows for executive leadership, coordinating calendars, meetings, documentation, and cross-department communication to ensure seamless execution.
- Supported grant development by researching requirements, editing materials, and aligning deliverables with funder expectations.
- Designed evaluation plans for public health programs, including writing evaluation questions, defining key quantitative and qualitative measures, and developing practical data collection and analysis strategies.

**Camp Kesem at USC (kesem.org)** **Los Angeles, CA**

*Summer Camp Counselor, Unit Leader, Volunteer/Outreach/Operations/Treasurer Eboard Positions* *Jan 2022-Present*

- Planned and executed a week-long program for 100+ participants, overseeing logistics, scheduling, risk mitigation, and real-time operational problem solving.
- Recruited, vetted, trained, and managed 40+ counselors; delivered 10+ training sessions annually and maintained performance standards across the team.
- Led a unit of 20+ campers and 10 counselors, ensuring safety, adherence to schedules, and high-quality participant experience.
- Maintained year-round relationships with families through outreach, support calls, and personalized communication.
- Served on a 17-person executive board coordinating operations, events, and fundraising initiatives.

**California Department of Public Health (cdph.ca.gov/Programs/CEH/DFDCS/Pages/FDBPrograms...)** **Los Angeles, CA**

*Data Science Intern - Medical Device Safety Program* *June 2025–Feb 2026*

- Built a prototype iOS app (Swift/SwiftUI) enabling public search of California medical device recalls by name, keyword, or date range to improve public access to safety information.
- Developed Python pipelines to scrape and clean recall data; integrated three external APIs to deliver real-time recall status.

**World War II Camp Wall Memorial (wwiicampwall.org)** **Torrance, CA**

*Data Science Summer Intern* *Jun-Jul 2023*

- Built and maintained a database of 240,000+ Japanese American incarcerees using Python, SQL/SQLAlchemy, and Alembic. Cleaned, migrated, and validated large-scale historical datasets for a national memorial.
- Designed Tableau dashboards and Python visualizations highlighting individual stories and historical patterns.

## RESEARCH

**USC Global Research, Implementation and Training (GRIT) Lab (thegritlab.org)** **Los Angeles, CA**

*Global Health Research Assistant* *Jan 2023–Present*

- Project lead for study on road infrastructure and user behavior to reduce road trauma and injury in Uganda, wrote project proposal, generated data collection methodology, led preliminary data collection activities in the field, performed descriptive analysis of data using Tableau and RStudio, and created policy briefs of findings for poster presentations.
- Organized workshops in Kenya on women's health; trained local youth in survey design, data collection, and analysis. Generated a health survey and collected 600 resident responses through direct interviews with the local team and performed preliminary analysis for conference poster presentation.
- Conducted interviews and focus group to evaluate causes of burns, treatment option misconceptions and treatment seeking behavior

## AWARDS, COMMUNITY INVOLVEMENT, & INTERESTS

- USC Global Scholar Award, Renaissance Scholar Distinction, Keck Student Ambassador, APRU Student Ambassador, Girl Scout Gold Award, Mojave Primitive Encampment MISC, Camp Kesem USC, camping/hiking, sourdough, travel planning
